**SUSTAINABILITY POLICY STATEMENT**

---

Elite Security Group is committed to the adoption of sustainability policies and practices, together with the regular review of both its performance and scope for further improvements.

Elite Security Group aims, through continuous staff awareness, to create and maintain the highest levels of sustainability, we are committed to continual improvement and preventative pollution.

Elite Security Group maintains a fundamental belief in the importance of protecting the environment, and will take all necessary steps within its power to eliminate, or control, environmental hazards by:

- Striving to become carbon neutral
- Adopting a policy of reducing our carbon footprint by 10% year on year
- Aiming to use the most economical use of all materials, supplies and energy, using renewable or recycled materials wherever possible
- Managing its supply chain in line with these policies
- Keeping itself fully informed of best practices elsewhere
- Continually monitoring performance against this policy.

We shall consistently comply with applicable legal requirements to which the Company subscribes relating to our sustainability policy. We will encourage employee involvement in positive action.

Our sustainability objectives and targets shall be reviewed on an as and when basis and formally reviewed annually at each management review of the Quality Management System.
